2. **Monthly Educational Luncheons** - The MHC holds monthly luncheons focusing on knowledge, skills and abilities of legal management professionals in the areas of: financial management, human resources management, organizational development, business management/legal industry, operations management, communication and self-management. The MHC is a CLM (Certified Legal Manager) Approved Provider and seeks application and re-certification credits, SHRM-CP and SHRM-SCP re-certification credits and has met the criteria to offer HRCI re-certification credits for our monthly luncheons.
3. **Law Firm Management Luncheon** - As a "thank you" to the attorneys at our law firms and legal departments who support our ALA membership, the chapter holds an annual educational luncheon where CLE credit is applied for and paying MHC members may bring an attorney from their office free of charge.
4. **Slack** - The MHC listserv has been replaced by a Slack channel which provides us with the same invaluable resource when you've got a troubling question you would like some help on from your fellow administrators, when you want to advertise that you need to fill a staff position, when your Executive Committee wants a quick answer to a question that is beyond your scope, or any number of other things that administrators address each day. All members must abide by listserv related rules and [antitrust guidelines](#).
5. **Subgroup Meetings** - Subgroups of the MHC meet on an as-needed basis to discuss topics of interest. Currently, there are active subgroups for human resources, intellectual property, and diversity and inclusion.
6. **Annual Conference and Expo** - The MHC holds this event over a long weekend and offer educational sessions with re-certification credits. The Expo provides our members opportunities to engage and network with our MHC Business Partners in a relaxing setting. The cost of this event is heavily subsidized by the MHC.
7. **Community Connection** - The MHC is very community minded. Each year the Chapter looks for opportunities to give back to our community. Please join us this year as we continue to play an active role in our Colorado Community.
8. **Salary Survey** - At the discretion of the Board of Directors, the MHC may present a salary and benefit survey. It is the best survey available for legal managers, paralegals, and legal support staff in the Denver metro area legal community. While available to others, the price is reduced to members and further reduced for members who participate in the survey.
9. **Opportunities to Serve** - The MHC always needs legal management professionals to assist on various committees. You will find these service opportunities to be both fun and educational and a great opportunity to network with your peers.
